

# COO (m/f/d) for Mental Health Startup

## Who are we?

We are a mental health startup that is launching a highly successful emotions-based therapy via Mobile App. The method is scientifically proven by the Max-Planck Institute and supported by several scientists, doctors and psychologists, books on our method have sold over 300.000 times and thousands of workshop clients and readers have successfully and lastingly improved their mental health.

## What are we looking for?

We are looking for a highly motivated, skilled and purpose-driven COO (Chief Operations Officer) who will work closely together with the founders to drive the company towards international success. Depending on your profile, you will either focus more on Product Development or User Acquisition.

## What will keep you challenged?

- Be the COO of a company that will revolutionize the mental health space
- Shape the incredibly exciting launch phase and build a terrific company
- Develop high quality business strategies and plans ensuring their alignment with short-term and long-term objectives

## Which traits contribute to your success?

- 4-5 years of experience in a high-paced environment
- Previous experience in Medical or Mental Health is a big plus
- Strong analytical skills and a strategic mindset
- Hands-on approach and hunger to build a great company
- Excellent written and verbal communication skills in German and English

## What do we offer you?

- The chance to build a great and meaningful company
- Product offering already validated with many incredible testimonials
- Functional and working product
- Strategic & operational support from experienced entrepreneurs
- Pre-Seed funding and assistance in further fundraising
- Company shares (success-based)
